STAFF WRITER 19:41 HRS IST

New Delhi, Nov 12 (PTI) Contract research organisation Ecron Acunova today said it has formed an alliance with Japan-based Tokyo CRO for clinical research services globally.

"This alliance provides pharmaceutical, medical device and biotechnology companies' with access to India, Japan as well as European countries for clinical research," Ecron Acunova said in a statement.

The alliance network is strengthened through a combination of Tokyo CRO's presence in Japan with Ecron Acunova's presence in India and 14 other countries in Europe, it added.

"With sponsors increasingly including Japan in drug development programmes, it is imperative for us to establish our operations through experts like Tokyo CRO in the region," Ecron Acunova founder D A Prasanna said.
