## Back Ex-Biocon official to advise Ecron Acunova

Our Bureau

Bangalore, Oct. 31

Manipal group-promoted CRO Ecron Acunova has named Dr A.S. Arvind as its Strategic Adviser.

Dr Arvind, who led Biocon's CRO Clinigene as its COO from 2000 until a few months ago, will guide the company on operational excellence and mentor the team, a release here said. Mr D.A. Prasanna, CEO of Ecron Acunova, said, "Dr Arvind brings in a wealth of experience in drug development and in areas of diabetes and biosimilars. His success in getting marketing authorisation for Biocon, successful USFDA audit of sites and relationship with investigators will make a difference to our customers."
